

# Moving Checklist

## Time your move successfully

Moving is so stressful for many reasons but planning out your move can help you manage. Use this checklist to help you prepare for your move and to make it as painless as possible.

### 8 Weeks Out

- Schedule in-home estimates with reputable moving companies and compare
- Request time off work/ child care for moving day
- Request school transcripts and register at new school
- Sort through things to keep, sell, give or trash
- Create an inventory of your home

### 6 Weeks Out

- Start gathering boxes and other moving containers
- Address necessary home repairs in your current home
- Sell what you can
- Donate items in good condition that you did not sell
- Throw away items you're not moving

### 4 Weeks Out

- Select your moving company or reserve your rental truck
- Start packing - separate valuables and label each box
- Gather all financial, legal and medical records in one place
- Research professional services like doctors, dentists, or vets if your move requires you to change providers
- Find cable and internet providers who serve your new address and schedule your installation appointment
- Confirm travel plans

### 2 Weeks Out

- Cancel or transfer utilities, services and gym membership
- Forward medical records
- Confirm your rental truck
- Dispose of hazardous materials
- Submit a change of address with your local post office
- Plan meals to use up food in fridge

### 1 Week Out

- Pack an overnight bag for everyone moving
- Pack an essentials box for what you'll need for the first few days
- Have cash on hand to tip movers

### Moving Day!

- Wake up early and ready to tackle the day
- Protect floors and carpets
- Give movers a tour and moving instructions
- Dispose of all trash
- Finish the final cleaning
- Take pictures and videos of the empty place to prove move-out condition
- Do a final walk-through of each room to ensure there is nothing left behind
- Leave keys and garage door openers

# Home Inspection

## Checklist

When it comes to buying a home, what you see isn't exactly what you get. A home inspection will protect you against undetected issues and will give you the opportunity to know the house before you close. Use this list to get the most value out of your inspection.

### Grounds

- Trees in good condition without overhanging or touching the roof
- Landscaping, driveway and walkways in good condition with no significant cracks
- Drainage away from the house with no standing water
- No evidence of leaks from septic tank
- Deck and stair railings are secure
- Detached garage, shed, fence and deck show no rotted wood or evidence of termites

### Exterior

- Exterior walls appear straight with no sagging, bowing or staining
- Windows and door frames appear square
- Siding has no cracks, decay or curling
- Bricks show no damage or cracks in joints
- Stucco shows no large cracks
- Paint is not flaking or blistered
- Roof shingles are not missing or damaged and show no curling or cupping
- Gutters show no decay and drain properly
- Chimneys appear straight and undamaged
- Automatic garage door operates properly and stops for obstructions

### Interior

- Floors, walls and ceilings appear straight and level without visible stains, cracking or damage
- Doors open easily and latch properly when closed
- Lights and switches operate properly
- Adequate number of electrical outlets in each room
- Heating and air conditioning vents in all rooms
- Fireplace has no cracking and shows no staining
- Fireplace flue has been cleaned and is lined
- Smoke detectors and carbon monoxide detectors are working properly and located properly
- Stairway treads and risers are solid

### Bathrooms

- Visible plumbing under sink is in good condition and shows no signs of water damage
- Ground fault circuit interrupter (GFCI) receptacles for all electrical outlets located within 6 feet of sinks
- Adequate water pressure for hot and cold water at all fixtures
- Tub, shower and sinks drain smoothly
- Toilet flushes and fills properly
- Toilet is stable, with no rocking or stains at base
- No evidence of leaking around base of tub or shower

### Kitchen

- Visible plumbing under sink is in good condition and shows no signs of water damage
- Ground fault circuit interrupter (GFCI) receptacles for all electrical outlets located within 6 feet of sinks
- Working exhaust fan vents to outside
- Garbage disposal is operational
- Water flow to sink is adequate and drains properly
- Dishwasher drains properly and shows no evidence of leaks
- Built-in appliances operate properly
- Cabinets are in good condition

### Basement

- No evidence of moisture
- No evidence of water damage to above floor
- No staining or major cracks in exposed foundation
- Sump pump operates properly
- Visible floor joists show no damage, decay, or staining and appear straight

# Loan Documentation

## Checklist

Every mortgage loan may be different, but the documentation lenders will need in order to pre-approve a loan are standard. The common items are listed here. Be ready to submit these along with your application:

Valid Driver's License or other acceptable form of ID

Social Security card

Two year residential address history

Two year work history

Income verification - Employer name and address

Two recent years of W-2s

Two recent pay stubs

Two months of bank statements

Copies of recent federal tax returns

List of assets - particularly real estate owned

If VA - Certificate of Eligibility

If self-employed - business license, personal and business federal tax returns, business bank statements, and business Profit & Loss Statement

# Mortgage Process

Home buying is an exciting and rewarding experience, but it can also be the most challenging if you don't understand the mortgage process. Preparing for this journey and knowing what to expect will help you make the best decisions about your home purchase. Here is the mortgage process at a glance.

1

## Application

Complete your application and submit the requested documents to your lender.

2

## Pre-approval

Your application will be reviewed and a pre-approval letter will be issued.

3

## House Hunt

Work with your real estate agent to find a property and get it under contract.

4

## Appraisal

An appraisal will be ordered.

5

## Processing

Your loan will be processed and prepared for underwriting.

6

## Underwriting

Your loan will be formally underwritten for approval.

7

## Conditions

Satisfy all conditions assigned by the Underwriter.

8

## Clear-to-Close

Clear the file and approve for closing.

9

## Close

Sign documents to close on your new home.
